The U.S. Department of Veterans Affairs (VA) Program of Comprehensive Assistance for Family Caregivers (PCAFC) offers enhanced clinical support for caregivers of eligible Veterans who are seriously injured. These changes are described in VA’s Final Rule – Program of Comprehensive Assistance for Family Caregivers Improvements and Amendments Under the VA MISSION Act of 2018, effective October 1, 2020. These changes include:

- Expanding eligibility for the PCAFC
- Offering legal and financial services for designated Primary Family Caregivers of eligible Veterans in 2021
- Making other changes affecting program eligibility and VA’s evaluation of PCAFC applications

Who Qualifies?
Veterans who incurred or aggravated a serious injury (including a serious illness) in the line of duty in the active military, naval, or air service on or after September 11, 2001, or on or before May 7, 1975.

Who is a Legacy Participant?
If you and your Family Caregiver(s) were approved and designated by VA as eligible for PCAFC before October 1, 2020, you are considered a “Legacy Participant.”

What Do I Need to Do?
No immediate action is required if you want to stay in the Caregiver Program. VA will schedule an appointment to reassess your continued eligibility and care needs. You maintain your automatic eligibility for one year – through September 30, 2021 no matter when your reassessment occurs.

Is My Stipend Going to Change Due to a Reassessment?
Legacy Participants who meet the new eligibility requirements and the reassessment results in:
- A higher stipend amount, then the increase will take effect immediately with retroactive payment to October 1, 2020.
- A lower stipend amount, then the current stipend amount remains through the duration of the transitional period.

 Legacy Participants who do not meet the new eligibility requirements (and who are not discharged or revoked on another basis) will continue to receive their current stipend amount for the transitional period.

Q9. If I disagree with the decision, can I make an appeal?
A9. Yes. If you disagree with a decision under PCAFC, you have the right to appeal. Please contact the Patient Advocate at your local VA medical center to discuss the appeal process. Your Caregiver Support Coordinator is also available if you have additional questions.
