The U.S. Department of Veterans Affairs (VA) Program of Comprehensive Assistance for Family Caregivers (PCAFC) offers enhanced clinical support for caregivers of eligible Veterans who are seriously injured. These changes are described in VA’s Final Rule – Program of Comprehensive Assistance for Family Caregivers Improvements and Amendments Under the VA MISSION Act of 2018.

These changes include:
- Expanding eligibility for the PCAFC
- Establishing new benefits for designated Primary Family Caregivers of eligible Veterans
- Making other changes affecting program eligibility and VA’s evaluation of PCAFC applications

Who will potentially qualify:
Veterans who incurred or aggravated a serious injury (now includes serious illness) in the line of duty in the active military, naval, or air service on or after September 11, 2001, or on or before May 7, 1975.

Who is a Legacy Participant?
If you and your Family Caregiver(s) were approved and designated by VA as eligible for PCAFC before October 1, 2020, you are considered a “Legacy Participant.”

What Do I Need to Do?
No immediate action is required if you want to stay in the Caregiver Program.

VA will schedule a reassessment appointment between October 1, 2020 and September 30, 2021 to reassess your continued eligibility and care needs. No matter when your reassessment occurs within that year, you maintain your automatic eligibility for one year – through September 30, 2021.

Is My Stipend Going to Change Due to a Reassessment?
For Legacy Participants who meet the new eligibility requirements and the reassessment results in:
- A higher stipend amount, then the increase will take effect immediately with retroactive payment to October 1, 2020.
- A lower stipend amount, then the current stipend amount remains through the duration of the transitional period.

For Legacy Participants who do not meet the new eligibility requirements (and who are not discharged or revoked on another basis) they will continue to receive their current stipend amount for the transitional period.

Online applications will soon be a reality, as well.
Current Participants: Frequently Asked Questions and Answers

Q1. Why do I need to be reassessed?
A1. VA is making changes to improve and expand the Program of Comprehensive Assistance for Family Caregivers (PCAFC), including changes to eligibility criteria. Accordingly, all Legacy Participants need to be reassessed to ensure new eligibility criteria are met for continued enrollment.

Q2. Do I need to complete a new application?
A2. No. As a Legacy Participant, you do not need to complete a new application.

Q3. When will I be reassessed?
A3. Between October 1, 2020, and September 30, 2021, if you wish to stay in PCAFC, an appointment will be scheduled to reassess your continued eligibility and care needs. No matter when your reassessment occurs within that year, you maintain your automatic eligibility for one year – through September 30, 2021. The Caregiver Support Coordinator will contact you to participate in the required reassessment.

Q4. Do I have to come to the medical center during COVID-19 pandemic to be reassessed?
A4. No. Veteran safety is our utmost priority. During the COVID-19 pandemic, assessments will be conducted by local staff either at VA medical centers or by virtual telehealth visits while the Veteran and caregiver are at home.

Q5. Who will decide if I meet the criteria?
A5. Once your reassessment is completed, a Centralized Eligibility and Appeals Team will review and make a determination regarding your eligibility beyond September 30, 2021.

Q6. How long after my reassessment will it take for a determination to be made?
A6. The determination will be made within 45 days of the reassessment.

Q7. How will I find out about my reassessment determination?
A7. You will receive a phone call from your Caregiver Support Coordinator, followed by a letter.

Q8. What will happen if I’m discharged from the program?
A8. VA will provide advanced notice of its decision by October 1, 2021. Legacy Participants will stop receiving payments no earlier than December 1, 2021. In addition, the Family Caregiver will receive 90 days of extended benefits following the date of discharge.

Q9. If I disagree with the decision, can I make an appeal?
A9. Yes. If you disagree with a decision under PCAFC, you have the right to appeal. Please contact the Patient Advocate at your local VA medical center to discuss the appeal process. Your Caregiver Support Coordinator is also available if you have additional questions.

Q10. Are there any other programs to help me?
A10. Additional services are available through our Program of General Caregiver Support Services (PGCSS), as well as access to a Caregiver Support Coordinator at every VA medical center. Information on available resources is located on the caregiver website at www.caregiver.va.gov.
