

VHA TRAIN

Veterans Health Administration (VHA) TRAIN (Online Education-Free Service)

Attention: All Caregivers

Would you like to learn more about a medical or mental health topic and receive certification for completed trainings? Public Health Foundation "Training Finder Real-time Affiliate-Integrated Network" (TRAIN), established as VHA TRAIN, is available to you too. Please check out this opportunity and visit the links below for more details.

Helpful Links:

- [VHA Train - Institute for Learning, Education and Development \(ILEAD\) \(va.gov\)](#)
- [VHA TRAIN Subscriber Page](#) – This link will allow you to sign up to receive emails from VHA TRAIN regarding different topics. You will have the opportunity during sign-up to indicate your preferences or topics of interest.
- [VHA TRAIN Data Sheet](#) – The 2nd page of this fact sheet explains how to create a Learner Account and to sign up for groups (topics) you may be interested in. When creating your account, you will need to select your Professional Role. You may choose a specific role, "Volunteer" or "Other" and specify.
- [VHA TRAIN Catalog](#) – To search for a specific topic (e. g. Traumatic Brain Injury, Diabetes Care, Cancer and Smoking, Dementia) look for the magnifying glass icon on the top right portion of your toolbar, near the printer icon.

Topics for Consideration:

- Caregiving
- First Aid
- Nurses Aid
- Home Care Tools
- Nutrition
- Mental Health First Aid
- Stress and Burnout
- Medical and Mental Health Topics (e.g. Post Traumatic Stress Disorder, Diabetes, Cancer, Pulmonary Disorders, etc.)

Thank you for all you do.
Please sign up and get ready to learn!
